

LUXE Plank® with Rigid Core Technology

Armstrong's answer to WPC's & PC's

- Sellable designs – same patterns, embossing and gloss level as Luxe with FasTak; use your FasTak display to sell Rigid Core
- 8mm Rigid Stable Core with cork backing – reduces noise transmission and masks some subfloor issues
- 6”x 48” & 7.2”x 48” plank designs and 12”x 24” tile designs
- Inventory in stock – for quick turnaround
- Waterproof – installs in any room of the house
- 20 mil wear layer – resists scratches, scuffs and wear
- No acclimation required – install without waiting
- Angle-Tap installation – fast, easy and secure
- No expansion strips needed – cleaner installation and saves money
- Armstrong-branded – known and trusted source; 30 year residential and 10 year commercial warranty

When to use Luxe with Rigid Core

- Need for waterproof floor
- Span over subfloor issues
- Need for better acoustic performance
- No time for acclimation

When to use Luxe with Fastak

- Ease of installation
- Quick repair/replacement of pieces
- Desire for more design/layout options
