WallPlanks

Add an element of textured simplicity to any space with the Wood WallPlanks Collection. Choose from an assortment of designer styles that range from raw natural tones to weathered grey hues with our Color Infused staining technology. Each plank is constructed with Wall Flex for ease of installation when walls are not flat. The back of each plank features peel and stick bonding tape, allowing for quick and easy installation. *Contact your FlorStar Sales Representative for pricing and merchandising options.*

Environmental Focus

All products are made from sustainably sourced and processed REAL North American Hardwood

Easy Installation – Self Adhering Peel and Stick!
